

SUPERVISOR EXPECTS TO RESIGN JUNE 1ST

Geo. W. Moore to Give all His Time to
Celery Growers Association at
Salary of \$2,400

George W. Moore expects to resign as supervisor of the second district about June 1. For several years he has been manager and president of the Orange County Celery Growers' Association, and he has found that he has not the time to attend to the duties of that office and the office of supervisor. He had made up his mind that he must resign one or the other. Yesterday the celery growers offered him a salary of \$2400 a year if he would resign as supervisor and give all his time to the association. The proposal meets Moore's approval. His successor will be appointed by Gov. Gillett when the vacancy exists. There are already petitions being prepared in the second district in favor of candidates. Thomas Talbert of Huntington Beach, is out after the job. The name of John H. Edwards of Westminster, has been put forward, and it is expected that

Jerome Fulsom, a former supervisor, of Garden Grove, will get in the race. Since Moore has been a supervisor he has been getting \$1000 a year from the celery association. The office of supervisor has paid not to exceed \$1000 per year, the supervisor paying his own traveling expenses. When Moore was approached by celery men with a view of getting him to devote his entire time to the celery work, he said he would resign if the association would pay him \$2000 a year. When the matter came before the Celery Growers' Association meeting yesterday, the salary was fixed at \$2400.

"I am sorry that Supervisor Moore is going to resign," said Supervisor G. W. Angle today. "I have had a great deal of work with him, and he is a mighty good supervisor. He has given time and money for the benefit of his district and the county. He has done good work."

WILL PAY FOR A FIRE PATROL

County to Have Man in Mountain as Guard for Four
Dry Months

The Board of Supervisors has instructed County Clerk Williams to notify H. A. E. Marshall, supervisor of the Cleveland National Forest in which the Santa Ana mountains are located, that Orange county will appoint and pay one man as a fire patrol for four months this year. Several weeks ago a request that such action be taken was received from the forest supervisor. The matter was referred to the district attorney for an opinion as to the legality of the expenditure. The district attorney reported that the expenditure would be legal, and the supervisors decided to accept the forest man's proposal to place the man under the forest. The salary will be \$75 per month. The term of service will likely be from the middle of June to the middle of October.

A delegation of Huntington Beach officials were before the supervisors today asking that the city be given its share of money in the road funds. City Attorney Blodgett of the beach city was spokesman. Deputy District Attorney Rutan said the procedure was legal. Supervisor Moore requested that the matter be left over until March 23 when the board meets again.

H. B. Keeler of the Santa Fe was given a permit for the use of the courthouse steps on June 9, at which time the Coronado Band will give a free concert.

C. F. Ward, W. O. Ater and C. R. Schenck were appointed viewers for the A. F. Swift road.

BLOODY RACE RIOT AMONG WORKMEN

OGDEN, Utah, March 16.—A bloody riot, in which scores of American workmen and Greek laborers were injured, occurred today when a Greek attempted to become one of a group of American structural iron workers posing before a camera. When the Greek was thrown out of the path of the lens, he became abusive and a fight followed. Workmen of both nationalities joined in the fray. When the Greeks were worsted it was found that over thirty on both sides had been injured. None was fatally hurt.

GO TO MEXICO TOURNAMENT

LOS ANGELES, March 16.—It was announced today that May Sutton, her sister Florence, Simpson Sinsabaugh and Matt P. Brown will go to Mexico City to enter the tennis tournament on April 5.

IT RATIFIED OLD CONTRACT

California Vegetable Union is
Selling Agent for the Celery Growers

A special meeting of the Orange County Celery Growers' Association was held at the California Vegetable Union House No. 11 at Smeltzer yesterday afternoon to consider proposals from the vegetable union for handling the celery crop for the coming year.

A proposal that the association retain its present organization, but turn over the office work, car loading, etc., which the association now handles, to the vegetable union at a price showing a saving to the association, was voted down.

The proposal that G. W. Moore resign as supervisor and give his entire time to the celery association was accepted.

The present contract between the association and the California Vegetable Union, its selling agent, the union to handle all eastern and outside shipments and the association all local shipments, was ratified for the ensuing year. Under this contract the union gets one and three-fourths cents when the celery is sold for less than eighteen cents per dozen bunches, and two and one-fourth cents when eighteen or over.

THOUSANDS VISIT THE NEW BOAT GOVERNOR

REDONDO, March 16.—Two thousand people from Los Angeles, San Pedro and neighboring beach towns journeyed here yesterday to see the Governor, the new boat put on by the Pacific Coast Steamship Company, and the largest one in the coast service.

The Governor is commanded by Capt. R. Jepsen, for fifteen years a navigator of the Pacific, and carries a crew of 140 men. The captain stated that within the last two years the freight handled by water between Los Angeles and San Francisco has more than doubled.

NEW MANUFACTORY IS TO BE PUT UP IN POMONA

POMONA, March 16.—F. H. Osler is preparing to start a manufactory for sheet metal surface irrigating pipe, which will be the second largest of its kind in Southern California. The plant will do the work quickly and on a large scale.

—For lace curtains see Horton-Surgeon Furniture Co., 205 E. 4th St.

WOULD DITCH ROADS TO HELP IN DRAIN

Proposal Made County Help
Proposed Drainage District
and Protect Roads

FINLEY IS MAKING MORE DEFINITE PLANS

Ditches Leading to Main Canal
Is One of the Problems
to be Solved

The prospects for the conclusion of the formation of a drainage district in the Pomerino and Delhi districts seem favorable. As the result of the meeting of property owners in those districts at the city hall on Saturday, Surveyor S. H. Finley is instructed to make careful surveys and plans for the ditches, getting everything possible into definite shape, and report at another meeting of ranchers to be held on March 27. He is to see the owners along the edges and plan for the outside boundaries.

This morning H. S. Hadsall, representing the Southern California Sugar Co., and James McFadden, representing the property owners whose lands need the drainage district, went before the Board of Supervisors to determine if possible the attitude of the board in regard to building ditches along the roads as laterals to the main drainage ditch. Mr. Hadsall spoke to the board as follows:

"I will say that this is a matter of great importance to the sugar factory, not because it is necessary absolutely that the factory have a place to put its surplus water, for we could spread the water on land and give it the benefit of the heavy fertilizer, but it is our desire to fit as much land for raising beets within wagon haul of the factory as possible. There are 4000 or 5000 acres near the factory that can be made into fine beet land with this drainage. Next year we must enlarge the factory from 600 tons daily capacity to 750 and in time to 1000 tons. We believe we are a benefit to the whole county as well as the city. We want your co-operation in helping these farmers to get their lands into shape to raise beets.

"Col. Finley is employed to make the surveys. There are lands to the extreme east and west that cannot be reached by a main canal. If there were lateral ditches into which they could tile they would have the benefit of the drainage district. We want your intimation that you would favor the digging of ditches along the county roads. We would like to have you say that if the project proves feasible that you will favor it."

James McFadden said that drainage is the only thing that will help make some of the roads. The district would furnish the large ditch.

Supervisor Moore said that the districts across the river had to make their own ditches along county roads. The Board of Supervisors on Supervisor Angle's motion decided to visit the district on next Tuesday and reach a decision at that time as to what attitude should be taken.

LYNCH BUYS BIG LUMBER INTERESTS IN SAN DIEGO

SAN DIEGO, March 15.—Announcement has been made of the purchase of the big plant of the Benson Lumber Company in this city by Franklin Lynch, a banker and ex-mayor of Castleton, N. D.

The deal includes not only the lumber plant in this city, but also the entire plant of the Benson company on the Columbia river, in Oregon, from which come the huge log rafts that are every summer floated down the Pacific to San Diego.

Mr. Lynch, it is stated, has purchased a nine-tenths interest in the company, paying \$400,000.

—\$150 for horseshoeing. Satisfaction guaranteed. J. C. Williams & Son, Orange.

TARIFF MESSAGE SENT TO CONGRESS

RECALL TO BE CARRIED OUT

City Attorney Decides That the
Election Must Proceed
as Scheduled

Grand Jury Will Investigate
Charges Against City
Officials

LOS ANGELES, March 16.—The opinion of City Attorney Hewitt as to the validity of the recall election was that the election must be held, and his advice to the city council yesterday forenoon was to elect a mayor only until the date set for the recall election. On this advice the council proceeded, but it is possible that the legality of the recall election may be tested in the courts.

The grand jury which was drawn yesterday by Judge W. R. James, to probe charges against certain city officials, and other matters, will sit tomorrow, and is expected to report in about two weeks.

DEAD TWO WEEKS BEFORE DISCOVERY

ONTARIO, March 16.—The dead body of Arthur Clayton, horribly emaciated, was discovered on a rude bed in a little hut on Cherry street yesterday. A cup of chloral near by disclosed the probable cause of death which likely occurred two weeks ago. Clayton was mentally deranged several years ago, and was also said to be a miser. A big fine he had to pay some time ago grieved him greatly and is thought to account for his suicide. He left a small fortune in bank and also valuable real estate.

GRADING ACTIVELY ON FOR NEW POMONA ROAD

POMONA, March 16.—Grading outfits are actively at work on Huntington boulevard in the Ganesha Park tract, the thoroughfare over which the new electric line will run.

TELLS STORY OF BRIBERY

Tichenor Brings Up Almost
Forgotten Legislative
Scandal

LOS ANGELES, March 16.—On the stand, in his trial on the charge of embezzlement preferred by the Continental Building & Loan Association, of which he was formerly the Los Angeles agent, George N. Tichenor today repeated his story of the alleged bribery of State Senators Bunker, Emmons, French and Wright, implicating Gavin McNab as the man who showed him where to get money with which to trap the legislators. He said:

"William Corbin, general agent of the Continental, called me to San Francisco and asked me to trap the senators. He sent me to McNab, whom he said, would give me money. McNab said to go and see Joseph Jordan in Sacramento, and also said he had arranged for Henry Hartley to act as witness. McNab then took me to the rotunda of the Hotel Mills and pointed out a man whom he said would give me the money. This man gave me five envelopes, four containing three hundred and fifty dollars each, and the fifth containing two hundred and fifty for Jordan. I saw Hartley and Jordan pay Bunkers and Emmons. I did not see French and Wright get theirs."

GREAT STRIKE OF OPERATORS

Paris Cut Off From Telegraph
Communication With the
World

Mail Service is Disrupted;
Scenes of Disorder Are
Prevailing

PARIS, March 16.—A great telegraph strike is spreading rapidly throughout the French capital and has practically stopped all communication by wires between Paris and Germany and Italian cities. London business is moving slowly during the day but is from four to six hours late in transmission. Cable service to New York is slow, and telegraphic conditions threaten to become completely demoralized.

Rioting was a marked external evidence of the strike. Scores of telegraph employees surrounded the central telegraph station, and attempted to prevent the non-union employees from entering the building. Gendarmes drove back the mobs, resulting in clashes in which dozens of men and a few women were injured. It is estimated that over five thousand operators ceased work.

The telegraph company attributes the slow service to a heavy storm which raged during the night and day.

EUCALYPTUS TREES FOR THE NATIONAL RESERVE

BANNING, March 16.—The eucalyptus is being experimented with extensively on the national forest reserve. A deputy ranger has finished planting five acres with a variety best suited to this climate and altitude. If these trees make a good showing without irrigation the forestry department will use eucalyptus extensively in reforestation.

WEATHER FORECAST

SAN FRANCISCO, March 16.—Cloudy and possible light showers to night or Wednesday.

HARRIMAN IS AUTOCRATIC

Makes Binding Conditions to
be Met Before He Will
Build Oregon Road

MARSHFIELD, Ore., March 16.—E. H. Harriman's demand for an absolute guarantee of immediate returns from the investment before he will spend a nickel upon the long promised Coos Bay railroad, has been reiterated with fresh and more burdensome conditions.

In a message received here Harriman declared the line would not be built until he receives a guarantee that the "property secured" receipts of the road will equal the cost of maintenance, operation and taxes, as well as four per cent on the original cost of the line.

He furthermore insists that a deficit for any one year must be paid immediately and requires surety to guarantee such payment.

HORTICULTURAL TRAIN ATTRACTED BIG CROWD

COLTON, March 16.—The state horticultural demonstration train from Sacramento was in this city for two hours this morning and a great deal of interest was shown in the exhibition. The cars were crowded the entire time and the high school students were dismissed early so that they might attend.

PRESIDENT ASKS FOR IMMEDIATE ACTION

So that Business May be Adjusted to
Changed Conditions Caused
by Readjustment

WASHINGTON, March 16.—President Taft today sent a special message to congress calling for the readjustment of the tariff. He said: "I have convened congress in this extra session to enable it to give immediate consideration to the revision of the Dingley tariff act. Conditions affecting the productions of manufacturers and business generally have so changed in the last twelve years as to require a readjustment of import duties. More than this, the present tariff with other sources of income does not furnish income enough to pay the authorized expenditures. By July 1st the excess of expenditures over receipts for the current fiscal year will equal one hundred millions. The successful party at the last election pledged itself to revise the tariff, and the country expects it."

The prospect of changes in rates in import duties always causes a suspension or halt in business because of uncertainty as to the changes that will be made and their effects, and it is therefore of the highest importance that a new bill be agreed upon and passed with as much speed as possible, consistent with its due and thorough consideration.

For these reasons we deemed the present to be an extraordinary occasion within the meaning of the constitution, justifying and requiring an extra session.

"In my inaugural address I stated in a summary way the principles upon which, in my judgment, the revision of the tariff should proceed. I indicated at least one new source of revenue which might properly restore order and avoid any future deficit. It is unnecessary to repeat what I then said."

"I venture to suggest that the vital business interests of the country require the attention of congress during this session to be chiefly devoted to the consideration of the new tariff bill, and the less time given to other subjects during this session, the better for the country."

"W. H. TAFT, President."

McLACHLAN WILL PUSH STEAMSHIP LINE BILL

WASHINGTON, March 16.—McLachlan of California has taken advantage of the special session of congress to further the establishment of a steamship line between California ports and Panama and today the bill to that effect introduced by him, is now pending before the house. Whether it will be taken up, as this is a tariff session, is not known, but McLachlan said he saw no harm in introducing the measure.

TARIFF BILL MAY NOT GO IN TILL TOMORROW

WASHINGTON, March 16.—Representative Paine of New York, decided today not to introduce the tariff bill

until after the appointment of the new Republican member of the Ways and Means committee to succeed Representative Bonyne of Colorado, as he deemed it proper to show the bill to Bonyne's successor before presenting it as a committee measure. At noon today it was believed the bill would not be reported until tomorrow.

LA FOLLETTE IS CALLED

"FAKE" BY SPEAKER CANNON
WASHINGTON, March 16.—Speaker Cannon today let off some steam generated yesterday when the insurgents won their partial victory in the house, by making a few characteristic remarks to Champ Clark, the minority leader. The pair met at the White House, where Cannon had been in conference with the president. Clark smilingly asked: "How did yesterday's proceedings suit you, Mr. Speaker?" "The amendments improved the rules," replied Cannon, his famous black cigar taking its most belligerent angle. With rising anger Cannon shook his fist in Clark's face and added: "The house is virile because it can operate by the will of the majority. This talk about the speaker being a czar is 'tommy rot.' What they wanted and attempted to do was to create a committee of fifteen czars dominated by Champ Clark and La Follette, and La Follette is a fake." Cannon dashed out of the building leaving Clark wondering whether to be amused or insulted.

O'BRIEN STILL TO BE AMBASSADOR TO JAPAN

WASHINGTON, March 16.—Thomas J. O'Brien will remain ambassador to Japan under President Taft, according to the statement of Senator Smith of Michigan after a conference with the president.

Senate Adjourns
The senate this afternoon adjourned until Friday after confirming a few appointments.

INSURGENTS CALLING FITZGERALD TRAITOR

WASHINGTON, March 16.—Congressman Fitzgerald of Brooklyn, Democrat, who introduced the substitute for the Champ Clark resolution to amend the house rules, was branded as a traitor today by Clark and the insurgents. It is alleged that Fitzgerald entered into a compact with the regular Republicans agreeing to introduce a substitute or compromise resolution which gave the insurgents a partial victory but still left great power in the hands of the speaker, and failed to accomplish the full purpose for which the fight was waged.

The resolution by Mr. Fitzgerald of New York whereby the rules were amended in several important particulars, was passed by a vote of 211 to 172.

SPENT FOUR DAYS IN A TOMB OF SAND

MOJAVE, March 16.—John Marconi, miner, working for the Los Angeles aqueduct at Pinto, while, with others, engaged in running a tunnel, last week encountered a stratum of quicksand, which started a slide when temporary timbering was removed. All escaped but Marconi, who was buried under 30 feet of sand. He was saved by the headway timbering, and his comrades sent down a two inch pipe, through which he was furnished air, food, water and encouragement. The fine sand was difficult to remove, filling in almost as fast as taken out, but after being imprisoned from 1:30 o'clock Monday afternoon, he was released at 3 o'clock Friday, none the worse for his strange burial.

HAYES LOSES THE BIG RACE

Dorando Pietri Won Marathon
Rubber by Half Mile Lead
in 2:48:08

NEW YORK, March 16.—Before 10,000 spectators, a large majority of whom were his countrymen, Dorando Pietri defeated Johnny Hayes last night in the rubber match for Marathon supremacy. The race was at the regular distance, 26 miles 385 yards, and was run over a ten-lap track in Madison Square Garden. Pietri won by half a mile in 2:48:08. From the start to the end of the race the Italian led the American, spurred on by the cheers and plaudits of his emotional countrymen.

CITY WILL PAY EXPENSES OF SUMMER BAND CONCERTS

**PER PLAYER \$2
TWENTY TO
BAND**

Public Musical Entertainment
Once a Week for Three
Months Provided for

IS READY TO TAKE
\$10,350 COMPRESSOR

Acceptance of Bid Dependent
Upon the Arrangement of
Legal Payments

Santa Ana will have music once a week for three months this summer, and the city will pay for it. This latter decision was reached at the meeting of the city trustees last night. The council voted that the Columbia Club Band be allowed \$2 per man per concert once a week for three months, the number to be paid for being limited to twenty.

E. A. White representing the Merchants & Manufacturers Association music committee stated that he had interviewed many people and everywhere he found the sentiment that the city ought to stand the expense of the concerts. He said the probability would be that the concerts would last an hour and a half. Last year a part of the time they were made two hours, but that proved too long. Just as much music would be given in the shorter period.

City Attorney Heathman said there

Fine assortment of table grape vines.
My stock is practically all home grown and is in thrifty condition.
GEO. B. WARNER

Doings of Council
1. Bid of Pacific Coast Manufacturing Co. for \$10,350 compressor accepted, provided payments may be made in two fiscal years.
2. City will pay expenses of summer band concerts, \$2 per player, once a week, for three months, band not over twenty pieces.
3. Petition for cement curb on East Pine between Maple and Oak granted.
4. Petition for walk and curb on West Walnut between Main and Broadway granted.
5. Ordinances embodying granted petitions passed for first reading.
6. John Pugh appointed special policeman for First Street school.
7. Ordered that Sherman avenue, in Hartwell addition, be vacated.
8. City attorney instructed to notify P. E. to pave and double track on West Fourth to Baker street.
9. Water department given permit to run water on streets when necessary.
10. City attorney instructed to begin proceedings to close old Spurgeon street north of Washington.

is a conflict of opinions concerning the concerts from a legal standpoint, but the rule is that the cities have the concerts.

McNaught—"There are those who object that the boys who work all day for \$1.50 would get \$2 for playing an hour and a half. I don't make that objection myself."

White—"I heard a man who lives off his money say the boys ought to play for practice."

Blodgett—"Did you ask him if he loans his money out for practice?"

Harris—"It takes much outside work to keep up the band."

On Blodgett's motion the decision to allow for the band concerts was carried.

**WILL COST \$10,350,
BUT IT IS THE BEST**

Water Works Superintendent recommended to the board that the bid of the Pacific Coast Manufacturing Co. for a Murray-Corless engine and compressor for the water works be accepted, the figure being \$10,350. McNaught moved that the \$10,350 bid be accepted, provided the city attorney and the attorney for the bidder can find it legal to make some of the payments deferred. The motion carried.

McFadden stated that some of the money cannot be paid until the next fiscal year for the reason that some of the machinery will not be in place and the city legally cannot make the payment until thirty-five days after it is in place. Reid suggested that in case the contract cannot be made that all bids be called off.

**STREET MATTERS UP
BEFORE THE COUNCIL**

A petition for a cement curb on East Pine street between Maple and Oak was granted. A petition for sidewalk on West Walnut between Main and Broadway was granted. The first reading of ordinances calling for paving Third between Bush and Birch, West Fourth from Birch to Baker and the alley in block 11, calling for sidewalk a strip on Cypress south of Bishop, Maple from First to Chestnut

and a strip on East Chestnut were had and the ordinances passed to the city attorney.

E. P. Stanford on inquiry was informed that the erection of a culvert across Spurgeon near Edgewood road would be agreeable to the board. He said later a more permanent culvert may be put in.

**THINKS AMUSEMENT
TAX IS HIGH ENOUGH**

Manager Roberts of the Temple Theater was before the board to explain his objection to raising the license on moving picture shows from the present tax of \$2 per quarter. He says it costs him three times as much to run a show now as it did eighteen months ago. He is taxed from \$2 to \$5 per week by the moving picture machine patent owners though he owned the machine. He says the people are entitled to a low priced amusement. His people spend their money here. The board postponed action on the amusement ordinance for a week.

To Villa Tracts
A map for the resubdivision of the Nob Hill tract was presented, the purpose being to turn a part of it back into acreage villa tracts. As there was no provision for vacating some of the alleys the matter was held over until the next meeting.

Cesspool Filled
Mrs. Dibble stated to the board that storm water on the block on Main street between Fourth and the Odd Fellows building had washed and soaked through into an adjoining cellar and she looked to the city to fix the drain so there would be no more of it. McFadden said that there was an old cesspool under the sidewalk, that it had filled with water and then gone on to the cellar. Storm water runs in a channel beneath the sidewalk. Street Superintendent laid the trouble up to rats, saying they had worked under the sidewalks and into the cesspool. McFadden said he thought the matter was remedied by filling the cesspool.

John Pugh, janitor of the First street school, was appointed a special policeman. This was done at the request of School Superintendent Cranton. Larger boys not going to school there come on the grounds and cause trouble. Special Policeman Pugh will see that these older boys keep away.

Second Reading
An ordinance prohibiting running of waste water or depositing other matter on the streets was read for the second time and adopted. There was some time taken up in deciding whether or not a building described as "partly wooden and partly iron" properly described a sheet iron building of which the framework only should be wood. Trustee Harris said the phrase left the inspector at sea. A building with an iron post in the center and the rest of it would come under the description. Trustee Thompson thought that as long as the application had to come before the board it would be all right. Harris couldn't see it that way and the ordinance was changed to say what it meant.

Street is Closed
A petition asking that Sherman avenue between Hickey and Washington east of Towner street in the Mrs. Hartwell addition be closed was granted.

To Give Notification
City Attorney Heathman was instructed to notify the Pacific Electric of the city's intention to order the paving of West Fourth street to Baker street, and for him to request the Pacific Electric to pave its portion of the street and complete the double tracks to Baker street.

Has Its Permit
The water works department was given a permanent permit to run water on the streets at any time it may find it necessary to do so to do its work.

To Close Street
The city attorney was instructed to commence proceedings to close what is known as old Spurgeon street, being the strip used before the extension was made north from Washington avenue. Reservations are made for the city's sewer line and for a strip at the north end that will some day be a part of Fourteenth street.

**BANK PRESIDENT TAKEN
IN TOW AT WASHINGTON**

WASHINGTON, March 15.—Henry H. Brown, former president of the Bank of Calistoga, which failed a year ago, was arrested Saturday in this city, having been indicted last Saturday in Napa.

Social and Personal

A Serious Errand

Mr. and Mrs. A. Merigold, accompanied by their son, W. T. Merigold, went up to Los Angeles this morning on a serious errand. Mr. Merigold Sr., will undergo an examination of one of his eyes, over which a cataract has formed, with a view to having it removed. The sight of one eye has already been lost and he is exceedingly anxious, of course, to preserve that of the remaining one.

Whist at Bay Island

Mrs. J. R. Porter of Orange, was hostess yesterday to the ladies of the Tuesday Afternoon Whist Club, entertaining them at her Bay Island cottage, whither the ladies went in automobiles. After a delicious noon luncheon the afternoon was spent in whist.

The players were Mesdames Porter, M. A. Yarnell, W. A. Huff, H. D. Connell, J. D. Thomas, Frank Remsburg, J. W. Tubbs, H. T. Ruthford, B. E. Turner, Clyde Walker, Joe Parsons, J. W. Carlyle, P. S. Roper and Miss Elsie Harrison.

South Methodist Baraca Class

The Baraca class of the Methodist church, South, had the pleasure of sending seven delegates to the Adult Bible class, which was held in Los

Angeles last Thursday and Friday, and they were delightfully entertained with a banquet in the banquet hall of the Y. M. C. A. building.

The delegates were John Simmons, Elbert Jones, Earl Young, Harry Warne, Gordon Williamson and Emmett Hayes.

The class met in their room yesterday after League meeting to hear the report from their delegates, and everyone entered into the conversation with heart and soul. Especially was this true of the class teacher, Miss Paul, who was greatly disappointed because she could not attend any of the convention sessions.

After the reports, the president called the class to order for the election of officers. Those who were elected are:

President, Gordon Williamson; vice president, Emmett Hayes; secretary, Charles Jones; assistant teacher, Harry Warne.

The class now has a membership of twenty-four boys, and they cordially invite any boy who is not in Sunday school to join them, both spiritually and socially.

Art Study Club

The Art Study Club meets tonight with Miss Zitella Talbot, 514 Cypress avenue.

Leaving of the McKeever

Mr. and Mrs. Thomas McKeever leave today for Alhambra, where they will make their future home. They will go overland, having been preceded by Miss Minnie Devin, their sister, who left yesterday by train.

The departure of the McKeever and family will be much deplored, as they have long been residents of Santa Ana, where they have occupied an honored place.

Psychotherapy Club

The Psychotherapy Study Club had an entertaining and profitable meeting last evening at the Robert McFadden home. A large attendance of members and guests listened to a second paper on Hypnotism, by Lou P. Hickox, an able article, which was

really a continuation of the excellent paper given last week by Mr. Hickox before the club. The thoughts presented brought out many questions and threw new light on a subject apparently much misunderstood and misjudged.

Dr. Ball followed with a paper on "Psychotherapy From a Physician's Standpoint." Dr. Ball's position being somewhat at variance from that of some others in the club, an interesting half hour ensued, during which the Emmanuel Movement, as the application of Psychotherapy is popularly called, was elucidated and the point clearly made that it is designed to produce a co-operation between the church and the medical profession, instead of one usurping the functions of the other.

A Farewell Social

A farewell social, complimentary to the Misses Reinhaus, who soon leave for a European visit of several months, was given last night at the Masonic Temple by Hermosa Chapter, O. E. S. The delightful affair followed the regular session of the Chapter, which was visited by Grand Worthy Master McAllister of South Dakota. He was also a guest during the social.

Amusing diversions beguiled the hours and many good wishes for a splendid journey and safe return were given the Misses Reinhaus, who are prominent members of the Chapter. Delicious refreshments were served in the banquet room, closing the pleasant evening.

PERSONALS

Miss Hazel Roberts is at home from a ten days' visit in Los Angeles.

The C. Y. Martins had a week-end visit from their cousins, Mr. and Mrs. Walter Vale of Des Moines, Iowa.

C. C. Young is having a visit from his sister, Mrs. L. E. LePage, and her husband, who come from Chicago, and who may locate permanently in Santa Ana.

Mrs. Greeley and daughter went out this morning on the 8:35 electric car for Los Angeles.

Jabe S. Hill is busy himself in Vandermaast & Son's store, familiarizing himself with the details of the business before opening the Vandermaast & Hill clothing store at Fullerton, which will be as soon as their building is ready.

Mr. Newell, brother of Mrs. Asa Vandermaast who with his daughter has been visiting here for some time, departed for his home in Des Moines, Iowa, this morning. Mrs. Vandermaast and Miss Newell accompanied him to Los Angeles.

Mrs. W. A. Huff visited the city today, going up on the 7:40 electric.

Mrs. Hiram Connell spent today in Los Angeles.

J. H. Lawrence, who formerly lived in El Modena, but who is now a resident and real estate dealer of Tulare, is in Santa Ana for a few days looking after business interests.

Mrs. W. W. Anderson and her mother, Mrs. Keator, left this morning for Los Angeles, where they will remain several days. Mrs. Anderson will attend the Presbyterian Woman's Missionary meeting in Los Angeles while in the city.

Mrs. Ella Fyfe is spending a few days at Alta Vista this week with friends. She returns Thursday.

Miss Ava Wells left this morning for a visit with Los Angeles friends.

Mr. and Mrs. W. W. Richardson of Victorville, Cal., were Santa Ana visitors yesterday.

Dr. and Mrs. Hossler of East Fourth street, are having a visit from their daughter, Mrs. Chas. Hossler, and baby, of Oakland.

Mrs. George E. Peters spent today in Los Angeles.

Mrs. Charles Vanderlip was a morning passenger on the out-going Los Angeles electric car today.

J. E. Tillotson, who has been out of health for some time, left yesterday for a stay with his sister, Mrs. D. J. Carpenter, at Highland. He

"L"-Evated Clothes is what the "L SYSTEM" stands for. They're highest in Quality, Style and Tailoring.

If you have "uppish" notions regarding dress, "L SYSTEM" clothes for Spring bring absolute exclusiveness of cut, color and cloth.

It's the head behind the hand that counts in tailoring. "L SYSTEM" tailors put head, as well as hand work into each garment. It's basted with brains.

Look for the "L" label. It's your warrant of worth and our pledge of perfection.

VANDERMAST & SON

hopes to be at his post again in a couple of months or less.

Miss Jean Head went to Pasadena this afternoon for a visit with former Buffalo friends there.

Misses Doris Robbins and Edna Beatty returned last evening from Claremont, where they have been since Friday last. They enjoyed the exciting Pomona-Berkeley track meet on Saturday and the Junior farce on Saturday night.

The Talk-It-Over Club invites all men to be present at its meeting tonight to hear Prof. M. A. Tucker of the high school faculty on "The Feeling of Responsibility in Education."

Globe-Wernicke Elastic Book Cases, with their dust-proof doors, are easy to clean and to keep clean, and are most satisfactory. Santa Ana Furniture Co., agents, 301 E. Fourth St.

Lace curtains for every room in the house. Horton-Spurgeon Furniture Co., 205 E. Fourth St.

DARGATZ-KRUGER—John M. Dargatz, aged 21, of Fullerton, and Lily B. Kruger, aged 18, of Anaheim.

INVENTOR DIED IN CITY YESTERDAY

Manufacturer of Timken Tires and Spring Goes the Way of Man

SAN DIEGO, March 16.—Henry Timken, who died in Los Angeles yesterday, was one of the wealthiest citizens of San Diego. He has been ill but a short time. He was seventy-eight years old. He has been a resident of San Diego many years. He was a heavy owner of real estate and had a ten story concrete building under construction at the time of his death. He was formerly a resident of Canto, Ohio, where he had a factory, manufacturing the Timken roller bearings used on all automobiles, and the Timken spring for buggies, both of which he invented. He leaves two sons and two daughters.

H. O. SISSON SELLS HIS BUSINESS COLLEGE

H. O. Sisson has sold the Orange County Business College to J. W. McCormac of Los Angeles, the school going into the possession of the new purchaser today. This gentleman is experienced in the commercial school and will continue the college here as heretofore, with the addition of a summer session.

Mr. Sisson, who has been here nine years conducting a successful school which with nine years previous business school work, gives him a long service of eighteen years, feels that he needs a rest from that line. He more than all, however, retires to look after his interests in the Imperial and Palo Verde Valleys which are large and demand all of his attention.

Mr. and Mrs. Sisson will continue to reside in Santa Ana, of which fact their many friends will be glad.

Something Unusual

—That Thacker's great Crocker and China Sale, now in progress, is something out of the ordinary, is proved from the fact that nothing in his immense china room is reserved. Everything, Haviland china, German china, English and American ware, fancy pieces, staple goods, dinner patterns, etc., all are included in this great stock-reducing sale. Profit is not considered now; we want to reduce our stock, and if prices will do it, it will be done. Our prices have always been low, and when you deduct 20 per cent to 50 per cent, and in some cases even more, from them, you are getting bargains. A trip to our store will convince you that we mean business.

—Lace curtains in all desirable patterns. Horton Spurgeon Furniture Co., 205 E. Fourth St.

St. Patrick's Dance

—There will be a dance given at Spurgeon's Hall March 17th. All those who have received invitations to the dances given by the Ladies' Canton are invited to attend. By order of Committee.

MASONIC NOTICE

—Regular meeting of Santa Ana Council No. 14, Royal and Select Masters this, Tuesday, evening. Banquet to follow. By order of G. P. HILL, T. I. M. G. A. WHIDDEN, Recorder.

—Complete stock of lace curtains, Horton-Spurgeon Furniture Co., 205 E. Fourth St.

—Blacksmithing at fair prices. J. C. Williams & Son, Orange.

—New prices on Pittsburg Perfect Fencing. Cheap as poultry netting. J. C. Williams & Son, Orange.

MEN SWARM TO NEW GOLD FIELD IN ARIZONA

PHOENIX, Ariz., March 16.—Hundreds of prospectors and miners are on the ground at the new gold strike near Vicksburg and Salome on the Arizona and California Railroad. Fifty left here last night for the strike. Water is scarce and wagons cannot be taken within two miles of the strike, but excitement continues as rich ore is found.

CASHIER FOUND DEAD IN BED

TUCSON, March 16.—Herbert B. Tenny, cashier of the Consolidated National Bank, and treasurer of the territorial committee, was found dead in his bed today. He was unmarried.

WESTON ON LONG WALK

TARRYTOWN, March 16.—Weston, the famous pedestrian, passed through here today en route from Broadway to the Golden Gate. The old man is walking with a wonderfully easy stride, and said he never felt better in his life.

TRY THE MONEY-BACK CURE FOR INDIGESTION

—Nine times in ten stomach derangements are responsible for sallow complexion, dull eyes and thin body.

It is the stomach that supplies nourishing blood to the muscles, the nerves, and skin. If the stomach is healthy, plenty of nutritious matter will be absorbed by the blood. If it is not healthy, the food will ferment and, undigested, will pass along through the bowels, furnishing so little nutritious matter that the blood becomes impoverished, and the glow of health vanishes.

If you suffer from nervousness, sick headache, belching of gas, sour taste in the mouth, heaviness after eating, or any other miserable stomach disturbance, you need M-O-N-A, and the sooner you get it the quicker you will be healthier and happier.

It will relieve any distressed stomach condition almost immediately. It will cure if used according to directions. The Rowley Drug Co. sells it for 50 cents a large box, and they think enough of it to guarantee it to cure indigestion.

CONTRACTS ARE LET FOR HANDSOME HOMES

Permits for what will be three very handsome homes have just been issued. One of these is to Fred Kingston for a \$4600 story and a half bungalow at 708 Spurgeon street. C. M. Jordan has the contract. A permit has been issued Mrs. L. G. Kendall for a story and a half residence and a barn at 311 Cypress to cost \$3900. The contractor is N. Beaumont. L. Eckley has taken out a permit for a \$3000 frame residence at 1012 North Broadway, with C. R. Davis the contractor.

CHILDREN WHO ARE SICKLY

Mothers who value their own comfort and the welfare of their children, should never be without a box of Mother Gray's Sweet Powders for Children, for use throughout the season. They Break up Colds, Cure Feverishness, Constipation, Teething Disorders, Headache and Stomach Troubles. THESE POWDERS NEVER FAIL. Sold by all Drug Stores, 25c. Don't accept any substitute. A trial package will be sent FREE to any mother who will address Allen S. Olmsted, Le Roy, N. Y.

—Lace curtains, all prices. Horton-Spurgeon Furniture Co. 205 E. Fourth St.

PROHIBITIONISTS WILL RALLY AND CHAFIN WILL SPEAK

THE "political prohibitionists" as you call them, are neither dead nor sleeping, said Amos Wright of Fullerton, who was in town today.

Mr. Wright is one of those cheerful enthusiasts and persistent workers—a "crank" or an "idealist," according to the point of view—who don't know when they are whipped. He is endowed with the faith that moves mountains.

But regardless of politics or the liquor question citizens generally will be pleased to know that Mr. Wright, as chairman of the Prohibition County Central Committee, assisted by secretary E. W. Wheeler, has made arrangements for another visit to Santa Ana by Hon. Eugene W. Chafin, late Prohibition candidate for president.

Mr. Chafin will speak at Spurgeon's hall at 2:30 and 7:30 p. m. Thursday, April 1, and at 10:30 a. m. of that day the prohibitionists will rally at the same place to renew their political and moral principles and talk over future work.

EUGENE W. CHAFIN

NASAL CATARRH

Rowley Drug Co. Sells the Great Remedy That Cured Mrs. Karberg

—Here is a very simple yet wholly sincere statement of a Michigan woman, who was cured by using Hyomei—the no cure, no pay remedy for catarrh, asthma, hay fever, croup, coughs and colds:

"A bad case of catarrh was cured for me by the use of Hyomei. The trouble affected my head, nose and eyes, and was very annoying and disagreeable, and the cure, from the use of Hyomei, was very gratifying. Hyomei has from me a strong recommendation."—Mrs. E. Karberg, 213

Kingsley St., Ann Arbor, Mich., Nov. 16, 1908.

Thousands of just such letters are in existence, and thousands more would be but for the desire to avoid publicity.

If you have catarrh, bestir yourself, and drive it out of your system. Kill the germs. You can do that easily if you use Hyomei (pronounced High-omei).

It is a dry, antiseptic and very pleasant air that, when inhaled quickly relieves all forms of catarrhal inflammation, stops snuffles, hawking and blowing. The price for a complete outfit, including inhaler, is only \$1.00 at Rowley Drug Co.

C. E. ENDEAVOR CONVENTION REPORT

Enthusiastic and Helpful was the County Meeting at El Modena

The County Christian Endeavor convention held in El Modena, Saturday, was the largest and probably most successful convention ever held in Orange county. Rev. Armstrong, the pastor of the El Modena Friends church opened the convention with devotional exercises, consisting of songs, scripture reading, and was followed by prayers by each society president present.

Following the announcements the Quiet Hour Superintendent Miss Mary L. Wood took charge, giving many helpful thoughts along this line. Various comrades of the Quiet Hour testified as to the benefit of this part of Christian Endeavor work to their lives. Miss Nan Tedford closed this session by sweetly singing the song, "In the Secret of His Presence."

The Junior Hour was one of the most interesting parts of the day. Fifty-three Juniors from all over our county were registered, and under the leadership of Miss Remington, the county superintendent, each society represented did their share in making the hour both interesting and profitable. A song by the fifteen Spanish Juniors of our own city was an entertaining feature.

Paul C. Brown, the state field secretary, called the roll of societies, and each president responded with the two best things his society had done this year, and its greatest need. This was followed by a conference of committees lasting forty minutes, where prac-

Welcome Words To Women

If, you are an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true honest square-deal medicine OF KNOWN COMPOSITION, sold by druggists for the cure of woman's ills. The makers of

Dr. Pierce's Favorite Prescription

for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper. Is this not a significant fact worthy of careful consideration?

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines sold by druggists for their peculiar weaknesses and ailments because it is

THE ONE REMEDY which contains no alcohol or habit-forming drugs, is not anything like advertised secret compounds or patent medicines.

THE ONE REMEDY for women devised by a regularly graduated physician of vast experience in woman's ailments and carefully adapted to her delicate organism.

THE ONE REMEDY good enough that its makers are not afraid to print its every ingredient on its outside bottle-wrapper.

It's foolish—often dangerous to be over-persuaded into accepting a secret nostrum in place of this time-proven medicine of KNOWN COMPOSITION. World's Dispensary Medical Association, Buffalo, N. Y.

This shipment comes direct from factory to Orange and is the first car load of automobiles shipped to this county.

Interesting Cars for Interested Buyers.
None Better

ORANGE CITY GARAGE

tical helps along the various lines were discussed.

The morning address was by Mr. Godber, the state president, his subject being, "The Five-fold Campaign," comparing the five things the Christian Endeavorer should work for to the five fingers of a hand. The first was increase and extension of Christian Endeavor work, starting in the local denomination and reaching out to all young people not connected with some Christian Endeavor society. The second was missions, the evangelizing of the world. The third was evangelistic work whenever and wherever it could be done; the fourth, citizenship and temperance, working against the saloon and impure politics; the fifth thing he urged was to give publicity to all work that the Christian Endeavor is doing.

The lunch hour followed and this added in a great measure to the success of the day, for the El Modena society furnished free and generous lunch for all. There were about three hundred at the convention and the well ordered and bountiful way in which this large number was served elicited words of praise from all present for this hospitable society.

After praise service in the afternoon Miss Kathryn Wichmann, the county superintendent of Intermediate work, took charge of the Intermediate Hour. Miss Emma Hasty of the Congregational church read an excellent paper on the subject, "Christian Endeavor Oratory." This was followed by a violin solo by Carl Hankey, which was very much appreciated. Two interesting papers, "What the Intermediate Has Done," by Miss Ethel Wilson, and the "Needs of Intermediates," by Miss Ella Livingston, gave the members practical help along these lines.

Prof. Cranston gave an exceedingly helpful address on the conditions now existing in this department and the chief needs of the Intermediate work.

A conference on methods conducted by Paul C. Brown during which various needs and problems, and the best ways of meeting them were discussed, was one of the most practical and helpful sessions of the convention.

The Missionary Hour was devoted

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of KNOWN COMPOSITION. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound.

If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

to an address by Mrs. Sadie Nourse Welbon of Seoul, Korea, who spoke of the mission work in her station and the eagerness and hunger which Koreans show for the gospel. She also pointed out the fact that the Koreans looked to us as an example along all lines, moral, religious and political.

Mr. Godber, in his address, "Pasadena, 1909," spoke enthusiastically of his home city and the plans they were making for the state convention which meets there in June, and assured all Orange county delegates a cordial welcome. The business session followed during which reports were received from all officers and committees and the new constitution was read and adopted. Westminster was chosen as the next place of meeting and Tustin Presbyterian and Santa Ana Congregational Intermediate societies were awarded the banners for the best year's record.

Mr. Paul C. Brown closed the convention with an address, "Our Purpose," urging each Endeavorer to greater earnestness and concentration for service. The newly elected officers were then called to the platform and installed for this year's work.

Credit for the successful way in which this convention was carried out is due in large measure to Miss Minter, the county president, and the El Modena society.

President, Miss Lulu Minter, Santa Ana; vice-president, Herbert C. Bates, Villa Park; recording secretary, John Henderson, Santa Ana; corresponding secretary, Miss Vera Heathman, Santa Ana; treasurer, Miss Eleanor Parker, Anaheim.

Superintendents of departments were named as follows: Quiet Hour, Miss Mary L. Wood, Santa Ana; Tenth Legion, G. H. Gobar, Fullerton; Intermediate, Mrs. H. C. Cockrum, Westminster; Junior, Miss Peral Remington, Fullerton; Citizenship and Temperance, A. M. Robinson, Santa Ana; Missionary, Mrs. C. F. Willard, Tustin; Floating, Donald McMullan, Alamitos; Evangelistic, Miss Edith Cutler, El Modena.

—\$85 for a complete ranch wagon. Quality guaranteed. J. C. Williams & Son, Orange.

CARL LEHMAN FUNERAL WILL OCCUR TOMORROW

Carl Lehmann died on Monday morning at 8:30 o'clock at his residence on Tustin avenue, of cancer of the liver, after being sick for one year and four months.

Funeral services will be held at his late residence on Wednesday, at 1 p. m., and also at 2 o'clock, the same afternoon from the Lutheran church in Orange. The services will be in English and German. Interment will be in Santa Ana cemetery.

Mr. Lehmann was born in Prussia, Germany, June 5, 1833. He came to Buffalo, N. Y., in 1856, and the same year he was married to Margaret Schanclin. In 1870 he moved to Humboldt, Kansas. He came to Santa Ana in 1887 and engaged in the grocery business and later, in 1892, he engaged in ranching. Being an expert bookkeeper, he was employed at the courthouse at various times.

His wife died in October, 1905. There survives him, one daughter, Mrs. Louise Lauderbach, and three grandchildren; also one brother, Russ Lehmann, in Kansas, and two sisters in Germany.

DANCING CLASSES

—Miss Kramer will form an adult beginners class Monday, March 22 at 7 p. m. Advanced class 8:30 p. m., Elks Hall.

—Ben E. Turner rents, repairs, sells and swaps sewing machines.

LOS ANGELES PRODUCE MARKET

Vegetables were fairly plentiful yesterday morning, and the demand for all sorts of products and commodities was excellent. There were no great changes of any kind, although the tendency was a trifle downward. Northern rhubarb sold at \$1.75 to \$2.00 a box in most of the commission places. It was quoted at \$2.50 last Saturday, and the decline is due to the rapid increase in shipments from there. Asparagus started out at 15 cents early in the morning, but arrivals increased rapidly and prices declined as low as 10 cents a pound by noon. The green Imperial Valley grass was quoted at 12½ cents. Oyster plant was plentiful but small and sold at 25 cents a dozen. Spinach was worth only 15 to 20 cents a dozen. Artichokes sold from 40 to 80 cents, the lower price being on locals while the higher was current or northern stock. Cabbage was held high. The average grade sold at \$2.00 a sack while some of the fancy stock sold for 25 cents more. Celery was up 50 cents on local stock and the last shipment from Smeltzer was reported in. After the middle of the week, the local market will be dependent on northern shipments.

Receipts of eggs over Saturday and Sunday were only 565 cases. These comparatively small receipts held the prices at the same level as they have ruled for a week. A little coast stock was reported in. They are holding a trifle lower than locals.

Butter again declined in all grades. The arrivals were 26,981 pounds. This, and the fact that outside arrivals are increasing, is a cause for

the decreased quotations. An entire car of eastern butter was reported in yesterday. Eastern extras as a result dropped to 55 cents per two-pound square. Local firsts went to the same figure, while extras are now down to 57½ cents.

Cheese was fairly active, but there were no price changes. Arrivals from this territory were only 792 pounds, and there were no heavy receipts from outside.

The potato market showed great weakness on account of the large arrivals of last week and a continuation of the same on the first day of this week. The local market fluctuates very easily with the outside arrivals. Receipts were about 14 cars, the majority from Central Northern California. Highlands were good sellers but only for second grade stock. Oregon, Utah and Idaho spuds are showing the best quality.

Onions were all down yesterday morning. Red globes, Australian browns and yellow Danvers declined to \$2.25 to \$2.50 a hundred. Utah and Oregon onions are selling at \$2.50, while the fancy Nevada stock is bringing 25 cents more. Bermudas have been among the good arrivals. They are worth from 5 to 6 cents a pound as yet. Receipts were one carload.

There were no bean arrivals and the market was quiet on that stock. Sweetens were hard to obtain on account of the light receipts. They sold anywhere from \$1.50 to \$2.00 per hundred.

Popcorn went off ½ cent on the eastern varieties, while the California stock sold as low as 3¼ cents a pound. Cocoanuts were down 5 cents on the dozen, 85 cents being the

latest quotation. Pecans, peanuts and walnuts were weak. The former sold from 15 to 17, according to size.

PRICES CURRENT

EGGS—Fresh California ranch, candled selected, 22; fresh ranch local case counts, 18; northern candled, 22; northern case counts, 20. BUTTER—Creamery extras, 57½; creamery firsts, 55; dairy butter, 25; cooking, 27; eastern extras, 55 per 2-lb. square.

ADDED TAX ON PROPERTY ACCESSIBLE TO CITY SEWERS WILL NOT GO IN THIS YEAR

The city authorities have decided After a conference between Sewer Superintendents Reid, a committee of the trustees, City Assessor Freeman and property owners on the unsewered district to the south, it was decided that no separate assessment will be made this year on property having a frontage on a sewer line or on property to which a sewer is accessible.

that it would be best not to put the added tax on this year.

One reason for it is that it is hoped that within a year or two the city will issue bonds to do the work that it was proposed should be done with the money raised by the tax on sewerable property. There are districts that have no sewers and eventually must be supplied with them. The entire city has paid for and kept up the system. Property owners in the districts not yet supplied with sewers want the entire city to help pay for their improvements. Should the tax per lot be put on the remainder of the city would likely take the stand that the sewer portion had already paid an extra tax and would not be disposed

to look on a bond issue with favor. The amount of money raised by the per lot tax would not be sufficient to make the necessary improvements.

There is a district to the south that has the attention of the city authorities in regard to the establishment of sewer improvements. Either an outfall must be built to the bay or the sewage must be pumped into the present outfall.

When spoken to within the last few days concerning the likelihood of calling a bond issue soon for sewer extensions, several city officers said that the matter seemed to be at rest just now, but that the necessity is apparent and pressing and must be taken up.

DESCENDANT OF OLD FAMILY IS DEAD

No Record of Birth But She
Was Thought to be Over
90 Years of Age

Gertrude Ballesteros de Lopez, born in Los Angeles so many years ago that the few relatives with whom she resided at the time of her death could not give her exact age, but estimated it at 90 years, was buried yesterday afternoon at the New Calvary Cemetery, following a brief funeral service at the old Plaza church, says the Los Angeles Times.

Father Juan Caballeria, of the Spanish mission, stated that the name of Mrs. Lopez was not recorded in the baptismal records of the church. One of the mission priests, however, might have performed the baptism at the home of the child's parents, who were among the first settlers in Southern California, and among those who held large land grants from the Mexican government, or the baptism might have taken place at one of the other missions in this vicinity.

The parents of Mrs. Lopez came here about 1810. Their land lay to the north of Pasadena. For a number of years prosperity was theirs, but with the Mexican war came first reversals, and the disintegration of their interests. Miss Ballesteros early married J. Lopez, a member of one of the illustrious Spanish families of this state. The couple had two sons and a daughter. All are dead now save the younger son, Vincent Lopez of No. 640 Buena Vista street.

All of the old friends of the aged woman have passed away and it was a gathering of a few grandchildren and some of the old Spanish residents who gathered in the old Mission on Main street to assist in the simple funeral services.

—Miss Ruth Taylor invites you to attend the **SPRING MILLINERY OPENING, MARCH 20th.** Will have on display a beautiful assortment of pattern hats together with a stylish line of tailored and street hats.

—Gem Restaurant, short orders and dinners. 310 Bush street.

DIRECT PRIMARY HAS SMALL CHANCE

Kings-Fresno Division Made
Fight; Rate Bill Passed;
Local Option Lost

SACRAMENTO, March 16.—The senate this afternoon will refuse concurrence in the assembly amendments to the Wright direct primary bill. The show of strength in this morning's long debate on the question gave the anti-organization leaders confidence that when the final show down comes, it will be found that Wright cannot muster over twenty votes. The concurrence requires twenty-one.

Fresno-King Bill Delayed
SACRAMENTO, March 16.—Amid scenes of confusion the assembly today postponed the consideration of the Webb Fresno-Kings division bill until Thursday. The action followed a strenuous fight of the Fresnoites for delay.

Railroad Rates Bill Passed
SACRAMENTO, March 16.—The Wright railroad rate bill, calling upon the railroads to fix maximum rates, prohibiting discrimination, and enlarging the powers of the railroad commission, was passed by the assembly.

Local Option Bill Lost
SACRAMENTO, March 16.—Estudillo's local option bill was defeated yesterday by a vote of 25 to 12.

—Spring housecleaning means many new floor coverings. Rugs, carpets, matting, linoleum, new, attractive goods, the kind that wear, are lowest priced at the Santa Ana Furniture Co., 301 E. Fourth St.

—Increase your business. You can do it with a Reo. We did. A. and H.

Table Spoons, per set	2.10

A good chance to save money on these goods.

Santa Ana Hardware Co.

THE KANSAS TIN SHOP

No. 4

We have observed that among the lines of business represented in Santa Ana some of the hardware houses are trying to boost their business by "going for it."

Those fellows are sending out "drummers" thus acting on the advice of some of the jobbing houses.

Now, it costs lots of money to send a man out on the streets and highways and it don't add to the general volume of business (except as hereinbefore stated.)

For the past twenty-three (23) years we have been "doing business" in Santa Ana and we have been fairly successful.

We have endeavored to give full value for the money we have received.

We have relied on square dealing and legitimate advertising to secure a fair share of the business of town and country.

We have no quarrel with anyone who chooses to send out solicitors for any purpose they may choose, but we will not follow them in that line.

But instead we will estimate a fair value for the time spent in "drumming" for the business and give the buyer the benefit.

We are aware that we will be accused of CUTTING PRICES and before we get through with this matter the evidence of that fact will be conclusive.

We have not been exacting an undue margin for our time and the money employed.

We "own every brick in the hut" we occupy and feel fully able to transact the business on a smaller margin than we otherwise could.

We have fully concluded that instead of dividing our profits with the "Drummer" we will divide with the purchasers.

If you want building hardware or plumbing goods, see
S. HILL & SON.
